B. Srinivasa Iyengar, Esq., B.A., B.L.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Financial Department.

Sir,

Adverting to para 5 of G.O.No.731-2/M.F.78-25-4 dated 12th -
December 1925 directing to take over the management of the properties
of the Sri vyasarayaswami Matha in the Mysore State and calling for -
proposals for fixing a scale of income and expenditure in the matha,
I have the honor to state that since assuming the management of the
inam villages and lands situated within the State a sum of Rs.790/-12-3
has been collected towards arrears and current demand and that same
has been credited to the funds of the Institution in the State Muzur
Treasury, Bangalore, and vigorous attempts are being made to collect
the amounts still outstanding.

2. Owing to lax management and slackness of collections from ----
properties situated outside Mysore, on account of the still unsettled
state of affairs and various other causes and in compliance of the
urgent request made by the Swamigalu, a sum of Rs.5000/- was transfer-
red to the Matha account in the Bank of Mysore to be operated upon
by him. Subsequently arrangements have also been made to pay a further
sum of Rs.560/- to meet the establishment charges of the outside ----
agency for the months of September and October 1926. As the -----
Comptroller to Government intimates that the amount has been kept ---
under objection, I request that the action taken by me in transferring
the amounts as above may be approved.

3. As regards the fixing of a scale of income and expenditure -
in the Matha, I beg to state that on the previous occasion all the

Matha

Matha properties both within and outside the state were under Government management and the entire realizations used to be credited to the funds of the matha in the State Huzur Treasury. This course facilitated the fixing up of a consolidated scale for the institution including the branch mathas at various centres and the agency establishment then maintained. As it is only the -- properties of the matha in the Mysore state that are now under -- Government management, there seems to be some practical difficulty in fixing a comprehensive scale of income and expenditure. I beg therefore to submit that that portion of the Government Order may kindly be modified.

4. When previously the management of the Matha was vested in Government, the following expenditure was being incurred on account of the establishment and other charges excepting the matha proper and the outside agency establishment.

Clerk of the Office		Rs.30/- a month or Rs.360-0-0 a year.
<u>Branch Matha, Bangalore.</u>		
Archak.	--	Rs.60-0-0
Gardener	--	" 72-0-0
Madhwa navami	--	" 20-0-0
Tikacharya Punyadina	--	" 10-0-0
Vyasarayana "	--	" 10-0-0

		Rs.172-0-0 a year.

Do- Seringapatam		
Archak	--	" 48-0-0
Care-taker	--	60-0-0
Contingencies	--	" 12-0-0

		Rs.120-0-0 A year.

Do- Tumkur		
Archak.	--	Rs. 60-0-0 a year.

Contribution for Dasara expenses in the Sri Ramadevaru and Sri Rameswaraswami temple in Chamaraipet, Bangalore city.		Rs.25-0-0 a year.
Santarpnan at Tirumakudalu during the Rathotsava of Sri Gunja Narasimhaswami at T. Narsipur.		Rs.100-0-0 a year.
Dvaita Vedanta Ratnasala at Bangalore.		Rs.960-0-0 a year.

Contribution to Brahmin Vidya
Sahaya Sangha.

Rs.640-0-0 a year.

All these items of expenditure seem to be covered by ---
orders passed by Government and the Swamigalu is bound to keep ---
them intact in conformity with the directions laid down in para

47 of Government Order No.5833-43/M.F.580-21-3 dated 20th April
1922. Now that the Mysore properties have come under Govern-
ment it seems to be necessary to resuscitate the charities and
continue them in an unimpaired condition. Action will be taken
for this purpose in communication with the Swami.

5. I am therefore of opinion that having the above items of
expenditure and all charges connected with the management of the
endowed villages in the State and reserving 25% of the total ----
collections to meet any capital expenditure or other urgent demands
the balance may be paid to the Swamigalu for the bona fide purposes
of the matha on requisitions received from him on that behalf from
time to time. As to conforming all fours with that of the Sri
Parakala Matha, I beg to suggest for the consideration of Govern-
ment that I may be permitted to make payments to the Swamigalu as
above without the necessity to apply for Government sanction every
time a requisition is received from him.

6. As the agency establishment for the properties situated with-
in the State has been sanctioned for only 6 months, no permanent --
provision has been proposed to meet the charges of that establishment.
If the services of the agency staff are required after the expiry of
the period for which it is now sanctioned, a separate recommendation
will be submitted in the matter.

In this connection, I beg to solicit sanction of Government
to incur a contingent expense of Rs.25/- a year for work connected
with the matha in this office.

7. On receipt of Government Orders I shall place myself in ----
communication with the Swamigalu and take necessary further action.

8. The favour of early orders is solicited.

I have the honor to be,

S i r,

Your most obedient servant,

U B Balasundaram

Muzrai Commissioner.
